May 13-17

Here's What's Happening:

Who Has Seen the Wind

By: Christina Rossetti

Due May 13th

Who has seen the wind?

Neither I nor you:

But when the leaves hang trembling,

The wind is passing through.

Who has seen the wind?

Neither you nor I:

But when the leaves bow down their heads,

The wind is passing by.

Be on a lookout from your classroom teacher or room parents about our end of the year classroom celebration.

Tour Around the World

This is a curriculum event; however, students will not be dressing up. They will "travel" around the world to experience Asia and Greece. Classroom teachers, if needed, will reach out to you for supplies or volunteers depending on their country needs.
