TCA Junior High proudly presents -TCA Day Carnival! Come one! Come all! Proceeds of the event will benefit St. Jude's Hospital. Click [here](#) for more info. Pre-Sale Ticket on sale [here](#).

TCA SUBSTITUTES NEEDED:

Types of jobs available: Teacher, Tutor, Office/Kiosk/Health Room, Test Proctoring

Requirements:

TEACHER: Bachelor's degree in any subject **or** HS Diploma + CDE Substitute Teacher Authorization

PARAPROFESSIONAL: High School Diploma or GED

OFFICE/KIOSK/HEALTH ROOM: High School Diploma/GED and additional training in the specific area

PROCTORING: Bachelor's degree in any subject and additional training in the specific area

To apply, please visit TCA's employment site at <https://www.applitrack.com/tcad20/onlineapp/> and submit an application for Substitute

TCA ATHLETIC GAME SAFETY

All Elementary and Junior High students who attend TCA athletic events must sit with an adult during the event for supervision purposes. Unfortunately, we have noticed types of behavior that could lead to injury or students getting in trouble. We desire to promote a safe atmosphere for all spectators; thus, ***no personal sporting or toy ball of any kind will be allowed into events.*** We thank you for your partnership in this endeavor.

HEALTHY MEALS FOR ALL

Healthy Meals for All will begin in the 2023-24 school year. For more information, [Colorado Healthy School Meals for All program](#) .

Program Student Fees Assistance

For more information <https://www.asd20.org/nutrition-and-food-services/free-and-reduced/>.

TCA North Campus Carpool -This system works efficiently if we all do our part. Following these guidelines will make our peak traffic times both efficient and safe for all. For more information [click here](#)

TCA's Mental Health Resources Page

TCA realizes the importance of mental health and has created a page of resources for parents and students to utilize. [Click here to view the page.](#) This link can also be found under the "Helpful Links" at the bottom of each page on this website and under the "Family" tab at the top of the page.

The Seventy-Sixth Volume of the PALMARIUM is provided for your review. [click here.](#) This first volume of this school year includes an article from Dr. Robert Thomason, the graduation speeches from both Michelle Drake and Stefani Hille, plus other interesting information.

FROM THE PRINCIPAL

Eighth Grade Course Registration Form

Due by Friday, May 10, 2024

EIGHTH GRADE REGISTRATION FORM

Dear Seventh Grade Families,

It has been a joy having your child at the junior high this year. We are looking forward to the year ahead and want to get information from you to help us create your child's schedule. Please talk about this information with your child and then fill out the registration form using this [REGISTRATION FORM LINK](#). We will need your family to complete this form by Friday, May 10, 2024. Completing the form should only take a few minutes.

I have included general information about the eighth grade classes on the Registration Form, but here is an overview of a eighth grade student's scheduling options as well.

ALL STUDENTS WILL TAKE:

English

History

Math*

Science

Electives (Attend every other day)

Art

Computers

Classics (Latin)

Physical Education

Fine Art / Study Hall: Families will select if their child will continue with band/choir or replace this class with a study hall.

** Students with passing grades in their current math class will be placed in the next sequential math class. Students that received a fail in either semester will repeat their current math class in an eighth grade classroom. Please reach out to your child's current math teacher with any questions.*

ENRICHMENT CLASSES

Your child's seventh grade teacher in English, history, and science might recommend them for the enrichment class in their discipline using the criteria below. You might receive an additional email over the next two weeks from your child's teacher letting you know if your child has been recommended for the Enrichment section. Students can take enrichment classes in two of the three areas. We ask you to prioritize these subjects on their digital registration form to help us schedule them into the enrichment classes that they are most interested.

Enrichment Criteria for TCA Junior High

- Students should be high performing, self-motivated, possess good work ethics and habits. High test scores and grades should be considered, but they should not be the only criteria.
- Less than highest performing students can at times be excellent enrichment candidates if they possess passion for the subject, consistently complete their homework throughout the school year, and be able to come to class each day ready to learn and discuss.
- Students are able to function with minimal parent support (lots of parent interest is always encouraged, i.e., asking what did you do in class today at the dinner table, applauding effort, etc.)

Please reach out to the Junior High Office at 719-484-0091 if you encounter any problems or have any questions about the scheduling process.

Sincerely,
Hugh Di Pretore
Junior High Principal
The Classical Academy

NAVY/CRIMSON A/B Rotation This Week

Monday: Navy

Tuesday: Crimson

YEARBOOK UPDATE

The Yearbook Sale in Infinite Campus is LIVE! **Please note, we only have about 13 books to sell and once they're gone, that's it.**

To access, login to Campus Parent and tap "School Store" on the left side. You'll be able to add a yearbook to your cart and complete the purchase from here.

Questions? Please email asquier@asd20.org

From Mr. Pollard:

Students should not use the wrestling hallway between classes. Please use band hallways. Thank you.

If your padlock is giving you trouble, please check in with Mr. Pollard

JR. HIGH AFTER SCHOOL LABS

After School Workshop: There are three workshops to assist students who are struggling to complete their homework or need extra support in English, mathematics, or organization. Monday, May 27 – NO SCHOOL – Memorial Day

COMMUNITY ANNOUNCEMENTS

(Non-TCA Sponsored Events)

From your Connections (HS Career and College) Center:

[Colorado Springs Middle School Pre-Collegiate Programs | UCCS](#)

Workshops are opportunities for Pre-Collegiate middle school scholars to learn and practice skills related to academic success, for example: time management, note-taking, and prioritizing tasks. Workshops also cover concepts and skills related to life leading up to and during high school, for instance, social-emotional awareness, communication, and leadership. All workshops occur on the UCCS campus one Friday per month, during school hours. There are also two optional Saturday morning workshops during the Spring semester.

STEM Program

This program became part of the Pre-Collegiate Success and Support Center in 2016. It is a series of academic programs for regional 7-12th grade students designed to motivate and expose students to a variety of STEM activities, careers, and programs. [Learn More About STEM Programs.](#)
