CHARACTER CORNER

As we enter the final quarter of 3rd grade, it is an excellent time to evaluate our habits.

Are we arriving on time, being respectful in class, completing our assignments excellently, and showing kindness and compassion to our classmates? Please discuss with your student the habits he/she is developing and exemplifying. Our desire is for each student to become a person of virtuous character!

IN OUR CURRICULUM:

Spelling– Our next test will be on **May 17th** on lists **61/62**. You can find our spelling lists on [Spelling City here](#).

Math– Students are excited to learn about money in [Chapter 15](#). Please ensure your student is practicing their math facts daily.

Writing– Students are wrapping up their third grade year by demonstrating some independent writing on various topics.

Literature– We are reading The Seven Wonders of Sasfras Springs. Have your student explain what a wonder is. Are there any wonders they can name?

Recitation– *Student choice*
Due week of May 13th
(A recitation schedule for the year has been posted on the 3rd grade website.)

Science– We are excited to learn about the nervous system, ears, and eyes. We will wrap up our unit with the eye ball dissection.
