

## Academy School District 20 CHOICE Enrollment Program

Each year, D20 offers choice enrollment throughout the district. This includes priority choice enrollment (December 1 – December 18, 2020) and the regular choice enrollment (January 4 – March 17, 2021). However, **TCA is not a D20 CHOICE option**, but is a Waitlist school only. Currently enrolled students automatically move on to the next grade level each year.

Here are a few things you need to know if you are considering submitting a CHOICE application:

- **If your child is enrolled at TCA, and you want to remain at TCA in 2021-22**, do **NOT** submit a D20 CHOICE application for another school. If you submit an application, and receive the choice (including but not limited to School in the Woods), *your child will be automatically withdrawn from TCA*. Per policy, you will not be able to change your mind about staying at TCA.
- **If your child has a FIRM 2021-22 Kindergarten offer, and TCA is your preferred school**, do **NOT** submit a CHOICE application. 2021-22 TCA Traditional and Cottage School Kindergarten students will be removed from TCA's enrollment if they accept a "FIRM" offer and then CHOICE into another school.
- **If your child has a CONDITIONAL Kindergarten offer**, you *can* participate in the D20 CHOICE process if you wish, and it *will not* affect his or her position on the TCA waitlist. If your TCA Kinder offer becomes FIRM after the CHOICE window closes, you can then decide which school in which to enroll.
- **If your child is on any TCA waitlist and is not currently attending TCA** (and does not yet have an offer of admission), you *can* participate in the D20 CHOICE process, and it will not affect the child's position on the TCA waitlist.

*If you submit a priority choice or choice application to D20 and change your mind, you must notify D20 prior to the enrollment notifications sent out in January and in April to ensure your student is not automatically assigned to your choice D20 school.
