9/26/23

Clark and Roberts -
9/27/23

"Education is more than books, computers, and catalogues of facts. It should appeal to and enhance calm, sober judgment. It should encourage deep reflection about complicated, difficult problems. In the end, education, together with maturity and experience, should help us along the road to gaining wisdom. Education should also assist us in acquiring virtuous habits and ridding ourselves of non-virtuous ones."

Clarence Thomas ~~~Supreme Court Justice
