School Registration

Use this checklist to complete your child's registration. You can click the tabs at the top of the page, or click the name of the registration section. Most simply require you to review the page and make sure that the information is correct. The Health and Documents pages though require a signature as explained on those pages. When you are all finished, make sure you visit the Fees website (click the Fees link below) to process your receipt.

Look for the tab marked Student Password Management

Once you have created a password for your child, it takes up to 24 hours for the systems to update. Continue to next page.

Schoology Login

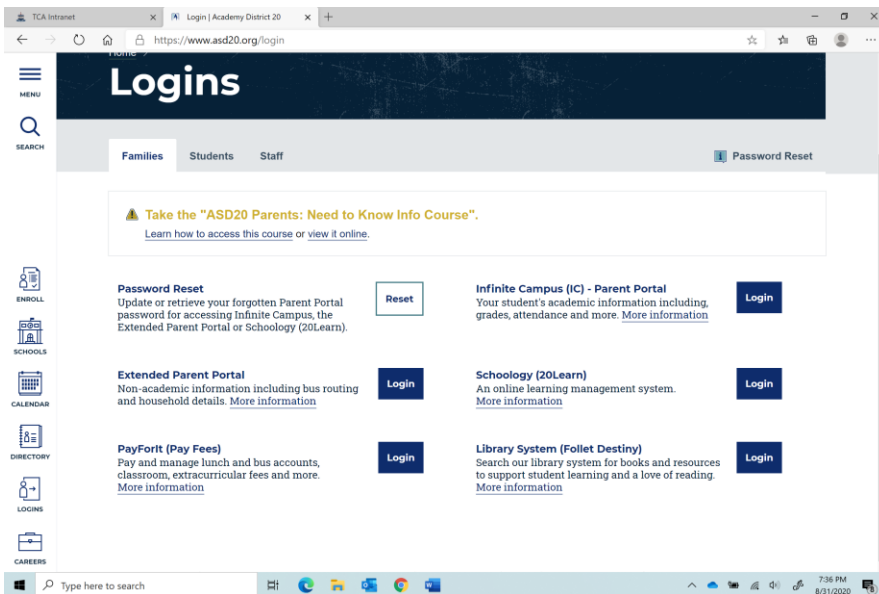

Schoology will be used as the online platform for enhanced at home learning and any potential remote learning. To access Schoology, please keep your student ID and password information from the previous steps.

Below is a link with a picture of where to go to login to Schoology

www.tcatitans.org find the login tab on the TCA website

www.asd20.org and select logins on the lower left then select Schoology

Once on the Schoology site, you will be redirected to a D20 login page. Use the following format when logging into your child's account:

Username: Your student ID number with @msa.asd20.org

Password: The one you created in the Extended Parent Portal

You should now be on your student's Schoology course page.

Each content area will have a course that your child will visit each day. You must be logged in to the Schoology program as your child to submit assignments.
