The TCA East 4th grade webpage has a summary of our math chapters to help parents understand how we teach the math concepts. This will help you guide your children. Check it out with the link below.

[Math Summary](#)

Spelling– We will enter list 9 the week we return. The test will be Friday and will include a written narration of rule 17.

Math– We will begin Chapter 7, Adding and Subtracting Fractions. Please check homework for completion. Look for the chapter summary on the TCA East webpage.

Writing– This week students will independently complete a summary of a reference article on Thomas Edison.

Reading– We continue reading The Big Wave by Pearl S. Buck in literature and The Hobbit by J.R.R. Tolkien as our read aloud book.

History– This week we will learn about Mali and Sundiata and Ibn Battuta's travels.

Science– Our unit in science is Structure and Functions of Living Things.

Grammar– In Fix It! Grammar, students will learn to use apostrophes with contractions as they copy sentences into their notebook.

Poetry Monthly Recitation– November's recitation is *Monday's Child is Fair of Face*. The author is unknown. Copies have been sent home.

Rule 17:
Double f, l, and s following a single vowel at the end of a one syllable word.

Each year the 4th grade classes collect character band-aids to give to Memorial Children's Hospital. Children, who are hospitalized, are allowed to choose a fun, cool band-aid. We were told that we are the only group to provide this special treat for the kids. If your child would like to participate with this, students may bring band-aids to their classroom by December 15th.
