¡Viva el Español! Celebrating Spanish

We are celebrating a Spanish immersion event for our 6th graders as a curriculum day! Students will be traveling from station to station, ordering authentic Mexican food from a taco truck, creating a traditional craft, playing traditional games, and breaking open an authentic Mexican piñata! This is an opportunity for your child to completely immerse themselves in the Spanish culture and language.

Student permission slips will be sent home with your student, please return those by Wednesday May 1st, 2024. All 6th grade students are invited to join in celebrating Viva el Español!

When: Friday, May 10th, 2024, 9:00am – 11:00am
