American Symbols

Math

In this chapter we have been learning and practicing basic number skills working with number bonds to 10.

- Understand that 2 parts can be put together to make a whole
- Find 2 parts that make 2, 3, 4, 5, 6, 7, 8, 9 and 10.

Important skills that should be mastered

Please reach out to your teacher for resources if you child is still developing.

Skills to be in place: Recognition of numbers 1-20 along with recognizing groups of objects up to 10 quickly. Additionally your child should be able to count numbers forward and backwards within 0 to 20. When firm, begin recognizing & counting higher numbers past 20 to 100 through the end of May.

Reading

Aesop's Fables

Character

Honesty—Being truthful in thought, word and action.

To make your children capable of honesty is the beginning of education. -John Ruskin
