

## Teacher Recruitment Education and Preparation (TREP)

The Teacher Recruitment Education and Preparation (called T-REP) program is an opportunity for graduating seniors in an educator career pathway to earn up to two more years of free college. **TREP is available only at PPSC.**

### Eligibility

- ❖ Currently in 12<sup>th</sup> grade and on track for graduation with a minimum cumulative weighted GPA of 2.50 **and** a minimum GPA of 2.50 in college courses
- ❖ Retained 5<sup>th</sup> year seniors do not qualify
- ❖ Must have taken at least one of the college courses listed in the Educator Pathway listing **during** the senior year
- ❖ Must have an Individual Career and Academic Plan (ICAP) that reflects the teacher/educator pathway prior to declaring intent to participate in TREP
- ❖ Must declare an approved teacher/educator major at PPSC
- ❖ Must not be in need of developmental courses for the selected major
- ❖ Selected by the CP Principal or Director of College Planning
- ❖ 2-year limit – No prior TREP participation before the initial entry year

### Educator Pathway Coursework

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

**All TREP applicants should also complete their FAFSA and apply to their program/colleges of choice.**

*If students qualify for financial aid from their program/schools of choice that exceeds TREP tuition, students should accept financial aid, which might include textbooks, and forfeit their TREP slots to students on the TREP waitlist.*

- ❖ TREP courses must align with the Educator Pathway Coursework shown above
- ❖ Diplomas and Transcripts awarded at the end of TREP participation and dated the end of the TREP year; students participate in graduation activities with their class; TREP grades are included in the high school GPA
- ❖ CP pays college tuition at the community college rate (PPSC only)
  - Full-Time = 12+ college credits each semester
  - Part-time = 3-11 college credits each semester
