About Me

This is my 9th year teaching at TCA, and I'm looking forward to getting back to where I started- Spanish 2! I love to travel, eat good Mexican food, and spend time with my husband, 2 year old son, and goldendoodle.

¡español 2!

I am looking forward to getting to know you this year as we learn about the Spanish language and the countries where it is spoken. By the end of this year you will be able to have conversations about a variety of topics such as school life, sports, food, friends, family, rooms in a house, household chores, clothes, our childhood and our community- completely in Spanish! Additionally, we will explore the geography and customs of Spanish-speaking countries.
