D20 Choice Information

Each year, D20 offers choice enrollment opportunities beginning in January for the upcoming school year. TCA is not a D20 choice option. We are a waitlist school and currently enrolled students automatically move on to the next grade level each year. If your child is enrolled at TCA, and you want to remain at TCA, do NOT submit a D20 Choice application for another school. If you apply and receive the choice, your child will be automatically withdrawn from TCA. Per policy, you will not be able to change your mind about staying at TCA.

If you submit a choice application to D20 and change your mind, you must notify D20 before enrollment notifications are sent out. Questions? Please email TCARegistrar@asd20.org.

Parent Survey

February 1 through February 29, 2024

Dear Junior High Parents,

We feel honored that you have entrusted us to partner with your family in the education of your child(ren). We know that many of your busy schedules make it difficult to connect with the school and don't want to miss the valuable feedback that you can provide. This being the case, we ask that every junior high parent take a few minutes to answer our eleven question survey to provide us with the necessary feedback to reflect on your child's experience at the junior high and how to make it better. I have listed the questions below so that you can take a minute to discuss them with your child before taking the survey.

The survey should take about 5 minutes and will be available to parents starting today through Thursday, February 29, 2024. Know that we look forward to seeing the distribution of responses and comments for each question. I will send a few reminders during February, but ask that you complete the survey as soon as possible. Please also know that you can contact me through the Junior High Office (719-484-0091) if you would like to share your thoughts in a more conversational model over the phone.
