

2023-2024 College Pathways

Weekly News--Week of August 21

And now we welcome the new year, full of things that have never been.

~Rainer Maria Rilke

Week 1 at College Pathways is a wrap! Having students in the building again has re-energized the classrooms and hallways and brought a life-giving spirit to East Campus. The staff is excited for the school year ahead and we trust the students are too as they settle into new routines and habits, grapple with challenging lessons, navigate friendships, and grow as unique individuals able to give their best to the world. It won't be long before these first days and weeks feel like a distant memory, so we're grateful for new beginnings and the opportunity to start anew.

We are honored to partner with our families, new and returning, for the 2023-2024 school year. Thank you for entrusting us with your children on their educational journey!

In Partnership,
