### Animal Book Report Project

At home, students should be working on their puppet of the animal they selected to write about. **Puppets will be due on January 30th.**

Since this is a third grade project, the students should be completing a majority of the work. If a part of their puppet is not able to be completed independently or with minimal assistance from an adult, then it should not be a part of their puppet. Thank you for allowing them to grow in their independence.

### Report Cards

Your child should have brought home his or her report card on Friday. Please take a moment to look over the report and discuss it with your child. We encourage you to refrain from focusing on the grade but rather the importance of giving his or her best effort and finding the joy in learning. Please sign the envelope and return it to your child's teacher as soon as possible.

## IN OUR CURRICULUM:

Spelling- Our next test will be on **Jan. 26th on lists 33/34**. You can find our spelling lists on [Spelling City here](#).

Math- As we move into [Chapter 8](#), multiplying/dividing by 6,7,8 and 9, please ensure your student is practicing their math facts daily.

Writing-We are working on our Animal Book Report rough drafts in class. Please make sure students have their book in their backpack to reference as needed as they write.

Literature- Ask students about our book, [Sign of the Beaver](#).

Recitation - *Trees*

**Due the week of Jan. 29th**  
(A recitation schedule for the year has been posted on the 3rd grade website.)

History- Ask your student to retell the different types of mounds the Mound Builders made.

Visit our [third grade website](#) for more!

**If you are curious about how to read/understand the CogAT report that was sent home with your child's report card [click here to find out more.](#)**
