7.) Click on the link that says "Student Password Reset"

8.) Follow the directions to create and submit a new password. IF you have multiple students, you can select from the pull down window and enter new passwords for each student. Don't forget to click "Save New Password".
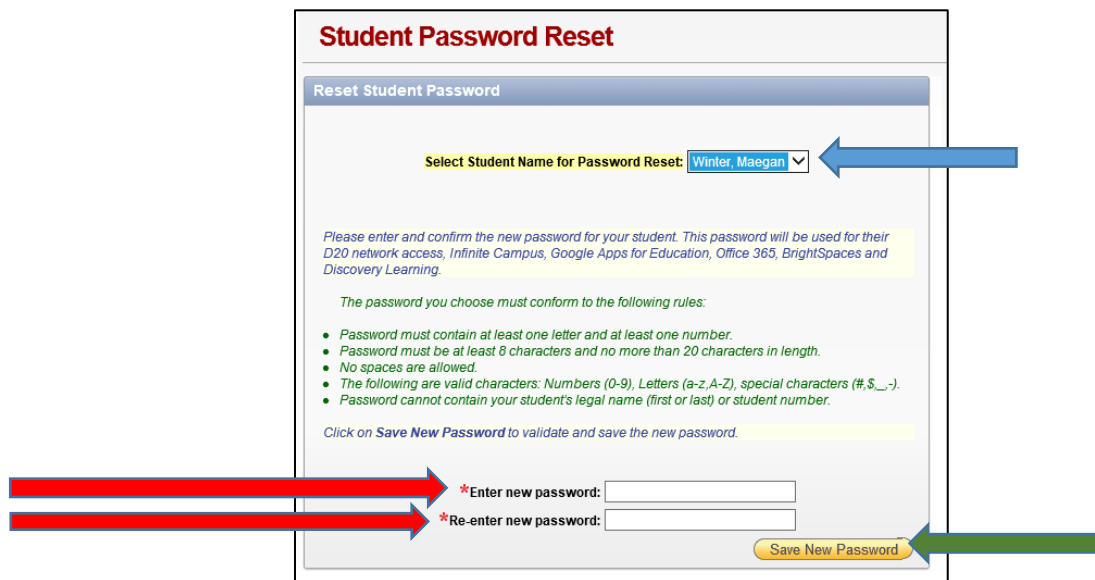

***After Saving New Password, you should see a green box at the top that announces your SUCCESS!

I hope this helps. I appreciate your diligence and efforts to make this necessary change. Your student will soon be able to enjoy computer class and begin their lessons in typing. Thank you.
