## **Report Cards!**

Please keep your child's report card, but sign and return the envelope to your child's teacher. Thank you!

We will re-use the envelopes at the end of the year.

## **Habits!**

Refer back to your student's report card to see what specific habits your child needs to focus on (neatness, attention, thinking, etc.).

By instilling these habits in our students now, we create a strong foundation for them as they grow older.
