## **BOARD POLICY ON ADVANCEMENT**

The Classical Academy (TCA) relies upon Advancement efforts to supplement the operating budget through the Annual Fund. Its three core objectives are investing in faculty and staff compensation, keeping class sizes small, and providing for school-specific supplies and needs .

### **Role of the Board**

The TCA Board of Directors supports the TCA President's Advancement Plan by abiding by these principles:

1. Board members must champion TCA's mission and core values.
2. Board members must lead by example in the giving of their time, talent, and treasure.
3. The Board advocates for the Annual Giving Fund and its funding objectives.
4. The Board is the approving authority for projects/initiatives to be funded by a capital campaign.
5. The Board is the approving authority for naming rights opportunities.

### **Process**

1. The Board will be briefed on the previous year's accomplishments and the Advancement Plan for the upcoming school year at the September Board Meeting. The support needed from the members will be detailed in the plan.
2. The Board will receive monthly updates.
