

Dear TCA Family and Friends,

The TCA Board of Directors would like to share some highlights from our February 13, 2017 Board Meeting:

Celebrate TCA

We celebrated several students in Ms. Barrett's 1st grade class at North Elementary. One student came up with the idea to "Make TCA Sparkle." She gathered her friends and family members and came to TCA North Campus on a Saturday morning to clean up around the campus. They definitely made TCA Sparkle. The administration was so impressed with this effort that North Elementary is planning a small service project to further this class's efforts to make TCA Sparkle. Watching our students live out A Titans Creed, by striving to be their best, do their best and give their best to the world is so fulfilling!

Capital Construction

David Tubb, Director of Operations, announced the selection of Nunn Construction and LKA Partners to design and build the new North Elementary Gym and North Auditorium. Construction is projected to start this summer and last a year. The Board approved an initial budget of \$13M from our first installment of the 3A bond money for this project. Dave also discussed TCA received final inspections on the new Central building, and the new entrance will be used beginning Tuesday, February 21, 2017.
