

Dear TCA Family and Friends,

The TCA Board of Directors would like to share highlights from our October 7th Board meeting:

Celebrate TCA

This month, we celebrated East Elementary's 6th Grade Titan Leader Program. Several 6th Grade students shared their highlights of the program which included leading the Pledge of Allegiance in younger classrooms, being a buddy to a 3rd grader, helping with games at field day, assisting with Grandparents Day and learning weekly leadership lessons from Mrs. Nelson and Mr. Walters. This is a wonderful example of teaching our extraordinary students valuable leadership skills!

Safety and Security Update

Dave Tubb (Director of Operations) gave an annual update on the safety/security programs and processes at TCA. This year TCA was able to implement all the security upgrades from our \$300k grant we received, which included additional cameras, IT infrastructure, security film and metal doors. TCA also conducted a Colorado School Safety Resource Center Assessment on all of our campuses to validate current programs and processes, while spotlighting area of improvement. These assessments focus our planning, training, facility improvements and drills so we can more capably respond during emergency events.

TCA Monitoring Report

Dr. Sojourner shared TCA's annual Monitoring Report, which will be presented to District 20 next month. This report covers TCA's governance, academic achievement, financials, operations and our notable successes for the past year. The Monitoring Report highlights multiple areas demonstrating TCA's excellence and adherence to our Core Values.

As always, if you have any questions, please contact us at talk2tcaboard@gmail.com. We hope everyone has a wonderful Fall Break!

With Titan Pride,

Rob Moulton

Board President
