

Dear TCA Family and Friends,

TCA's Board of Directors would like to share some highlights from our November 13th Board meeting:

Celebrate TCA

We celebrated Junior High's collaborative Titan's Creed art poster contest. The contest was broken up into eight groups, which represented a line or phrase from the Titan's creed. The eight winning teams shared their winning interpretation artwork of the creed with the Board. All the posters have been framed and will be displayed in TCA's administration offices for the rest of the year.

Accreditation, Assessment, and Achievement

Wes Jolly, Director of Academic Services, gave the annual TCA Report on Accreditation, Assessment, and Achievement. Mr. Jolly reported that in the 39 areas assessed, TCA exceeded ASD20's scores in 38 areas and finished 1st or 2nd within the district in 23 of the assessed areas. TCA received the highest rating for accreditation, and our achievement measures continue to be excellent. Mr. Jolly shared that in his eleven years as Director of Academic Services when looking at the totality of academic performance and achievement and comparisons with the district and state – 2023 would rank as the best year yet. Huge thanks go out to our leadership team, educational philosophy teams, teachers, students, and parents for their dedicated efforts.

TCA Monitoring Report

Wes Jolly shared TCA's annual Monitoring Report, which will be presented to Academy District 20 Board this week. This report covers TCA's governance, academic achievement, financials, operations, and our notable accolades for the past year. Mr. Jolly will be highlighting our Digital Health Initiative and the positive response received so far in the implementation. The Monitoring Report highlights multiple areas demonstrating TCA's excellence and adherence to our Core Values.
