Note from our new Athletic/Activities Director

I want to welcome all families to another year of athletics and activities at TCA. I want to personally thank everyone for the warm welcome I have received since moving here on August 1st. If we haven't had the opportunity to meet, please don't hesitate to introduce yourself. The campus has been already been very busy and I'm excited for all students to return to school.

There will be an informational parent meeting on Thursday, August 11th where I will share some information from my desk as well as the coaches speaking to their individual parent groups. Hope to see you there.

Darron Mitchell, Athletic/Activities Director

VIEWING GAMES:

We are now up and running to view games via the nfhsnetwork! It is a subscription service so it won't be free like youtube. It is a monthly auto renew. It also gives parents and fans an opportunity to watch any sport across the country that uses the system. Only one usable device per subscription, so if shared, it won't allow multiple users at the same time.
