## November Character Trait

**Gratitude** – You are aware of the good things that happen to you and you are thankful for them. You always take the time to say thank you.

We are encouraging each other to have hearts full of gratitude!

## Roman Day—Curriculum Day

*Roman Day is coming on Friday, November 3. There are costume ideas on the website. Please see the link from your child's teacher to sign up for food. We will do Roman activities in the morning and the culminating activity will be a Roman feast in the classrooms.*

### Reminder:

*Please do not allow your child to bring candy for a snack. If you'd like, they may have one piece in their lunches for dessert. Thank you!*

## Titan Buddies

Last Friday we met with our Titan Buddies for the first time to discuss social intelligence. Social intelligence is being aware of the feelings of other people and yourself. We talked about listening to others and played a game with our buddies to practice listening and getting to know someone. Follow up questions could be to ask what the difference is between sincerely listening and self-focused listening. Sincerely listening is when you have a deep need for ALL people to be understood and you put yourself in others' shoes. You can practice sincerely listening by repeating back what the other person says.

**Recitations:** We are now memorizing *The First Thanksgiving of All*. We will provide a copy for your child which will need to be returned to school. Please help your child practice as this is due on November 13th.
