### Titan Buddies

This week we met as Titan Buddies to discuss gratitude. Gratitude is the quality of being thankful; readiness to show appreciation for and to return kindness. We filled out a gratitude calendar with our buddies and discussed ways to show gratitude for each item listed. Showing gratitude does not have to be a grand gesture or buying anything. Follow up questions could be to ask why your child chose each item listed, and how they plan on showing gratitude for each one.

### Please Note!

The date of our Music Concert is Wednesday, December 13 at 6:00pm. Students should arrive by 5:30 pm. Please see the flyer sent home today regarding concert attire. Please mark this on your calendars!

## Happy Thanksgiving!

Thank you so much for coming to spend time in our classrooms during the Thanksgiving celebration. We appreciate all the contributions to help make this a memorable day for our students.
