

Third Grade News

February 5—9

The Classical Academy
North Elementary

Valentine's Day

Valentine Parties will be February 14th at the end of the day. If you plan on bringing cards for Valentine's Day, please be sure to bring enough for the whole class. Thank you!

We would greatly appreciate if you could take a few minutes to complete the **TCA PARENT CLIMATE SURVEY** that was emailed to you.

Looking For...

We need flat, non-corrugated cardboard (think cereal boxes) for our science unit.

Perseverance

Our character focus for the month of February is "perseverance". To persevere means you work hard to finish what you start, no matter how difficult the project. You do not get distracted when you work and you get your work done on time.

Math Facts

Continue to practice multiplication and division of 6, 7, 8, and 9.

Multiplication War is a fun way to practice multiplication. Directions and a video are also located on the TCA website.
