Field Day Lunch

Thursday, September 14th is our grade level field day from 12:00-2:45.

School lunch that day will be a sack lunch with a sunbutter and jelly sandwich, chips, apple juice, and a piece of fruit. Please tell your student's teacher by Tuesday, September 12th if your child will need a sack lunch.

Before School Reminder:

If your child gets to school before 7:45 please make sure they have a book to read while waiting in the cafeteria. This early drop-off is a courtesy to our families, please remind your child of the expectation to sit and read quietly during this time.

Recitation Schedule

On the 3rd grade website you can find a copy of all the poems that we memorize this year. We will provide copies of the poems with copyright laws. It would be helpful if you printed a copy and posted it at home or in your child's homework folder.

WE ♥ OUR VOLUNTEERS

We still have spots for helpers if you are available, please reach out to your child's teacher.

Reading group volunteers will begin the week of September 18th. Please make sure you have completed your background check.
