May 2 & 3 No Students-Required Literacy Testing by appointment

May 15-17 Trip Around the World (no costumes)

May 22 CSFD Safety Presentation

May 23 Last Day of School (Tentative)

MATH

Multiplication Facts

Please continue to study multiplication facts at home. We are working on memorizing x1, x2, x3, x4, x5 and x10, with a goal of mastery by the end of second grade.

Immigration Day

As we are learning about immigration during the late 1800s-early 1900s, please help your child understand their ancestry. Students will have opportunities to share about their ancestry on Immigration day by making a family crest or a clothes pin doll. We will provide supplies. Look to your child's teacher for guidance.

Spelling Test

Students will take this week's spelling test April 18 due to Immigration Day.

Character Values in the classroom:

It seems as though we are having to discuss proper behavior in the classrooms more and more as we move closer to the end of the school year. Students are encouraged to improve and maintain their **habits of excellence** while on their journey of learning. Please continue these conversations at home to help us finish our school year strong.

Hurt No Living Thing

By Christina Rossetti

Hurt no living thing:

Ladybird, nor butterfly,

Nor moth with dusty wing,

Nor cricket chirping cheerily,

Nor grasshopper so light of leap,

Nor dancing gnat, nor beetle fat,

Nor harmless worms that creep.
