## MATH

### Multiplication Facts

Please continue to study multiplication facts at home. We are working on memorizing x1, x2, x3, x4, x5 and x10, with a goal of mastery by the end of second grade.

### Spelling Test

The following classes will take their spelling test on Thursday, April 25 due to the field trip-Sutton and Vance.

### Literacy Testing

Please be looking for a sign up from your child's teacher for our end of year literacy testing.

### Character Values in the classroom:

It seems as though we are having to discuss proper behavior in the classrooms more and more as we move closer to the end of the school year. Students are encouraged to improve and maintain their **habits of excellence** while on their journey of learning. Please continue these conversations at home to help us finish our school year strong.

### Hurt No Living Thing

By Christina Rossetti

Hurt no living thing:

Ladybird, nor butterfly,

Nor moth with dusty wing,

Nor cricket chirping cheerily,

Nor grasshopper so light of leap,

Nor dancing gnat, nor beetle fat,

Nor harmless worms that creep.

### Reminders:

The end of the school year is quickly approaching. Please continue to encourage your child to read and practice cursive handwriting.
