Animal Book Puppets

Animal book puppets are due on January 22nd. Please work with your child to create a small puppet. You can use old socks, paper bags, popsicle sticks etc!

Colorado and Coats!

As you all know, Colorado weather can be unpredictable and crazy. Your child needs to come to school prepared for cold weather and snow every day in the winter. Layering is a good idea so your child can add warmth as needed. The classrooms can also fluctuate in temperature, so a TCA approved sweater or sweatshirt is always handy to have in your child's locker. Thank you for helping your child stay warm and comfortable this winter!
