Cold Weather

Please be sure to send your child to school in with outerwear appropriate for the weather. They can always take off hats and gloves if it warms up throughout the day, but they cannot put on something they do not have. Remember, the kids play outside at recess down to 20 degrees.

Field Trip

February 1st - Mining Museum - 9:00-12:30

*Please send a sack lunch as we will be retuning after our regular lunch time and will not be able to go to the cafeteria.
*Please send a healthy, substantial snack as the kids will eat it prior to leaving campus and will not have anything again until we return for our late lunch.

Important Dates:

*Success is not final,
failure is not fatal: It
is the courage to con-
tinue that counts.*

- Winston Churchill

In Our Curriculum:

Core Knowledge

Simple Machines: We will take a look at inclined planes, and wheels and axels. The kids will be encourage to look for simple machines throughout the museum during the field trip on Thursday.

Math

We will continue working with numbers to 40, identifying groups of 10's and 1's. We will work with how to change any number by it's groups of 10's or by it's 1's. In addition, we will use these skills to compare numbers all the way up to 40.

Please read the dimensions newsletter for more information.
