### Concert Day March 12

Tuesday is your child's time to shine and show how much they have learned in Music class this year. The kids can wear dresses, suits, ties, dress shirts, etc. Otherwise, they are welcome to wear their regular uniform. There is a performance for the entire school in the morning, and then for parents and guests at 2:00. Please do not check out older siblings until AFTER the concert that afternoon. We want to be sure there is enough seating for all adult guests at the 2:00 performance.
