### Finishing Strong

Our school year is kind of like a long-distance race, and we are nearing the finish line! Please continue the conversation with your child at home about what a runner does upon seeing the finish line. Do they give up? Do they mess around and goof off? No! In fact, they push harder.

Character really matters at this time of year, even in all of our small little habits throughout the day. Remind your child about neatness and perseverance in their academics and respect and integrity throughout the school day.

Let’s continue to be Titans who are “Striving to Be our Best, Do our Best, and Give our Best to the World in Mind, Body, and Spirit!”

### Dissections

We are planning to have our Owl Pellet Dissection on April 30 and May 1, and our Cow Eyeball Dissection on May 17 this year. Details and volunteer signups will be coming soon from your classroom teacher.

### Poetry Reception
