

# RECORDER FINGERING CHART

The hole that is outside the box indicates the thumbhole on the back of the recorder.  
When the circle is black, cover that hole with the correct finger.

The chart displays ten boxes, each representing a note. Each box contains a musical staff with a treble clef and a single note, and a vertical column of seven circles representing the recorder's finger holes. The circles are numbered 1 to 7 from top to bottom. A small black dot above the circles indicates the thumbhole. The fingering for each note is as follows:

Note	Circle 1	Circle 2	Circle 3	Circle 4	Circle 5	Circle 6	Circle 7
C	Black	Black	Black	Black	Black	Black	White
D	Black	Black	Black	Black	Black	White	White
