November 6-10

Here's What's Happening:

Something Told the Wild Geese

By: Rachel Field

Due: November 27

Something told the wild geese

It was time to go.

Though the fields lay golden

Something whispered-- "Snow."

Leaves were green and stirring,

Berries, luster-glossed,

But beneath warm feathers

Something cautioned-- "Frost."

All the sagging orchards

Steamed with amber spice,

But each wild breast stiffened

At remembered ice.

Something told the wild geese

It was time to fly--

Summer sun was on their wings,

Winter in their cry.
