ALL TCA PARENT ANNOUNCEMENTS

HEALTHY MEALS FOR ALL

[Colorado Healthy School Meals for All program](#) will begin in the 2023-24 school year.

- ASD20 and TCA have opted into the Healthy School Meals for All program for the 2023-24 school year.
- Starting in August 2023, all students will have access to reimbursable lunch school meals at their school at no cost.
- A la carte purchases and the cost to double a meal will continue to be offered for a fee. These purchases will be charged to the student's meal account, or the student may pay for the food items with cash.
- Sodexo will no longer be offering credit to students (since one meal is free). Students must have money in their account if they want to buy a second meal or an a la carte item.

· Qualifying families should still submit applications for Free or Reduced Meal status, including the Release of Information form, to qualify for fee reductions for athletics, activities, and course fees.

Program Student Fees Assistance

Through application to the Free and Reduced Meal program (FARM), certain school fees may be reduced or waived for families. Information regarding the program and applications is available at <https://www.asd20.org/nutrition-and-food-services/free-and-reduced/>. All TCA families are eligible to apply through the Academy District 20 program.

Please be sure to fill out the Release of Information form so the TCA Finance Department has the information and can apply it to your family's student fees as applicable.

The Free and Reduced Meals application deadline is Sept 30 each year. Beginning this year, if a family misses the application deadline, fees will no longer be adjusted retroactively. Moving forward, if a family qualifies for FARM but turns in their application after Sep 30, their fees will be reduced from that point on, but fees will not be adjusted that have already been paid. For additional assistance with the payment of fees, contact the school principal.

TCA North Campus Carpool -This system works efficiently if we all do our part. Following these guidelines will make our peak traffic times both efficient and safe for all.

Cutting through Private Properties-Please honor our neighboring (private) properties – TCA is surrounded by private property. The following are some properties that continue to work closely with TCA to ensure that access to their businesses are not limited during our heavy traffic carpool times:

- **Bella Springs Apartments – This property is for resident and visitor traffic only. Do not cut through their complex to bypass Voyager traffic.**
- **Community Bible Study/Idyllwild Office Park – This is not a permitted drop off/pick up location. Signs are posted reminding drivers this area is private property and violators are subject to ticketing and towing.**
- **Banana Lot – Closed during Carpool.**

TCA's Mental Health Resources Page

TCA realizes the importance of mental health and has created a page of resources for parents and students to utilize. [Click here to view the page.](#) This link can also be found under the "Helpful Links" at the bottom of each page on this website and under the "Family" tab at the top of the page.

The seventy-fifth volume of the PALMARIUM is provided for your review. This last volume of the school year includes a farewell from Dr. Sojourner, the founders talking about the *mission statement*, and American Cancer Society fundraiser results. You will also find info about Parent Survey results and 25 years of State Champions at TCA. I hope you each have a wonderful summer break.
