

2023-2024 Cottage School Program

Weekly News--Week of October 16

Walk with me for a while, my friend - you in my shoes, I in yours - and then let us talk.

~ Richelle E. Goodrich

How often do we misjudge someone simply because we do not know them...their history, their hardships, their path in life? Understanding a person means recognizing that we are not all that different from one another. When we are able to put aside our natural tendency to make assumptions about others, we are more inclined to respond with kindness and compassion. By doing so, we can then more willingly accept these same actions in return. The result is more meaningful relationships and ultimately strengthened community, essential elements of what it means to share the human experience.

Welcome back from Fall Break! We hope the pause from school was restful!

6. The newest issue of the **Palmarium** can be found [here](#).

7. TCA Athletic Game Safety – All Elementary and Junior High students who attend TCA athletic events must sit with an adult during the event for supervision purposes. Unfortunately, we have noticed types of behavior that could lead to injury or students getting in trouble. We desire to promote a safe atmosphere for all spectators; thus, no personal sporting or toy ball of any kind will be allowed into events. We thank you for your partnership in this endeavor.

8. Looking for ways to bless our staff? Food is always welcome! We have a "Sunshine Cabinet" in the Staff Lounge that we like to keep stocked with snacks and goodies for staff members to enjoy throughout the week. If ever you want to contribute a treat to the cabinet (whether store bought or homemade, savory or sweet), items can be dropped off in the CSP/CP office.

Typing Pal Log-In Instructions (Grades 3-6 Only)

Typing Pal is a learn-to-type program that we offer at no charge to all of our upper elementary students. There is no requirement to participate; it's simply something families may use as part of their home school curricula if students desire to learn/master basic typing skills. Log-in instructions are below.

1. Go to <https://clascott.typingpal.com>
2. Each student's **user name** is the first letter of his/her first name (as given in Infinite Campus; not a nickname) followed by the student's last name (i.e. shille would be the username for Stefani Hille).
3. The **password** is identical for each student—*titans*—UNLESS a student was with us previously and changed his/her account to a unique password. Once students are logged in, they may change their password to something unique to them.
4. Questions or trouble logging in? Contact Stef Hille at shille@asd20.org.
