Don't forget about

## Literacy Testing!

Please make sure you have a testing **appointment** scheduled with your child's teacher.

## Joy

As we enter the final few weeks of the school year, we want to encourage you to have conversations with your child about the joy of learning. In what ways has your child found joy in learning this year? What topics and activities stand out in their mind? And finally, how can we end this school year with an attitude of taking ownership of and finding **JOY** in our learning.
