HERE'S WHAT'S HAPPENING:

Parent-Teacher Conferences

OCTOBER 5-6

If you have not already received a sign-up to schedule a conference time with your teacher, you will receive it soon. We are looking forward to meeting with you to discuss your student's school year.

Supply Request

As we have established our classrooms this year, our team has discovered that we should have added paper towels to the supply list. If you are able, please consider donating a roll of paper towels to your child's third grade classroom. Any donations would be much appreciated.

September Character Trait
Courage

CogAT Testing

Part of third grade includes students taking the Cognitive Ability Test (CogAT). The CogAT measures a student's potential problem-solving skills in the areas of verbal ability (word analogies and sentence completion), quantitative ability (numeric) and non-verbal reasoning ability (puzzles, part-to-whole, and visual spatial manipulation of pictures). The test results provide us with important information helpful in meeting your student's unique learning needs. Your student will be taking the test **September 25-27th**. The test will be from **8:30-9:30** each day. Please make sure your child is here during those times.

Character Corner

Wilbur tried to spin a web to be like Charlotte but was not successful. Discuss with your child how our differences can build, solidify, and help our relationships.

IN OUR CURRICULUM:

Spelling— We will test on lists 9 & 10 on Sept. 22nd. You can find our spelling lists on [Spelling City here](#).

Math— Next week, we will continue working on mental math strategies in [Chapter 2](#). You can find some helpful hints to support your student at home [here](#). We also suggest using these [paper place value discs](#) at home, if your student is needing extra support.

Writing— We are learning the writing process, which includes a rough draft, editing, and final copy.

Literature— In Charlotte's Web, we are learning how quality adjectives are used to describe characters.

Recitation - Catch a Little Rhyme
Due the week of September 25th.
(A recitation schedule for the year has been posted on the 3rd grade website.)

Science— Next week we will take our Life Cycles test and start our Habitats unit.

Visit our [third grade website](#) for more!
