

Second Grade News

January 16 – January 19

Dates to Note

- Jan. 15: No school—Martin Luther King, Jr. Day
- Jan. 24: In house field trip on electricity

Notes

The students are going to start learning to write in cursive. Please do not have your students practice writing in cursive at home until we have taught all the correct letter formations. The students may start writing with a mechanical pencil when we are writing in cursive.

Please sign and return the envelopes with their report cards. You can keep the report card itself; we try and re-use the envelope at the end of the year.

At home with your student, you can start practicing x2, x5 and x10 math facts.

Science

In science we are going to learn about electricity. The unit will focus on the scientific concept of electricity and how people use electricity to make things work. We will compare and contrast static electricity and electric current and we will observe evidence of static electricity. In class we will discuss a simple circuit and then build a simple circuit. And then we will finish the unit by having an in house field trip with someone from Colorado Springs Utilities talking with the kids about electricity in our homes.

Harriet Tubman

January Poem

Harriet Tubman
By Elliose Greenfield

Harriet Tubman didn't take no stuff
Wasn't scared of nothing neither
Didn't come in this world to be no
slave
And wasn't going to stay one either
"Farewell!" she sang to her friends
one night
She was mighty sad to leave 'em
But she ran away that dark, hot night
Ran looking for her freedom
She ran to the woods and she ran
through the woods
With the slave catchers right behind
her
And she kept on going till she got to
the North
Where those mean men couldn't find
her
Nineteen times she went back South
To get three hundred others
She ran for her freedom nineteen
times
To save Black sisters and brothers
Harriet Tubman didn't take no stuff
Wasn't scared of nothing neither
Didn't come in this world to be no
slave
And didn't stay one either
And didn't stay one either
