## Character Corner

We are spending a lot of time in the classrooms talking about good habits! One habit we have focused on is kindness. Kindness can be defined as doing favors and good deeds for others; helping them; taking care of them.

Please take some time to discuss these terms with your child.

It is valuable for children to be practicing these habits at home.

## Service Run

This year TCA has chosen St. Jude Children's Research Hospital to collaborate with as we look to support our community and give our best to the world. By participating in the service run, our Central family will help fund the life-saving research and treatment at St. Jude Children's Hospital, helping them to create a future free of cancer and life-threatening diseases for children.

Please click [this link](#) to make a donation and find out more information!
