

Dear TCA Family and Friends,

TCA's Board of Directors would like to share some highlights from our June 12th Board meeting:

Celebrate TCA

We celebrated the three Destination Imagination Teams (Elementary, Junior High and High School) that competed at Globals last month and the five High School students who will compete at Speech and Debate Nationals next week. Both groups performed very well at their respective State Competitions. We are very proud of these students for representing TCA so well in these important extracurricular activities.

Capital Construction Update

David Tubb, Director of Operations gave an update on the construction progress at our campuses. Staff members successfully moved out of the North modulars to the Central modulars last week. The vacated modulars at North will be removed in the next few weeks to make way for the new auditorium and gym. Also, the city removed the North traffic circle on Stout Road. Lane painting and striping will be completed soon. At Central, the 4th grade modulars were removed last week to make way for reconstruction of the second Central Elementary playground. Also, lots of dirt is being moved and drainage prep completed for installation of the new Central turf field. It will be a very busy summer for operations to prepare all the grounds for the beginning of school. We're excited to see all the progress made over the summer.

Adopt-a-School Program

In an effort to continue to be as connected as possible with the TCA community and to build an appreciation for the variety of events, programs, and accomplishments that each of our seven schools provide, our board members have been assigned to the following schools for the next school year:

College Pathways- Paul Baker

Cottage School- Rob Moulton

Central Elementary– Jeff Rudder

East Elementary– Bill Jennings

North Elementary– Teri Goin

Junior High School– Peggy Littleton

High School– Becky VanVleet

As always, if you have any questions or comments, you can email the board at talk2tcaboard@gmail.com

Have a wonderful summer,

Tom LaValley
