November Board Highlights

Dear TCA Family and Friends,

The TCA Board of Directors would like to share highlights from our November 9th Board meeting:

Board Election Coming Soon

Vice Chair, Teri Goin reminded us that it's never too early to look ahead to our annual Board Election – held in March. If you have an interest in serving in this capacity, please feel free to contact us, and we would be happy to answer questions or clarify the election process.

Education Alliance

Board Members, Teri Goin and Rob Moulton discussed early efforts to develop a charter school advocacy group, called the Education Alliance of Colorado. They are working with other charter school boards and administrators to develop ways to affect legislation positive to charter schools and educational choice. Look for more information in the coming months regarding ways for our parents to get involved in Alliance actions.

Celebrate TCA

This past month, Central Elementary has been focusing on the character trait of gratitude, and during our meeting we watched a video clip their sixth graders put together for all of the students at Central, expressing what it means to have an attitude of gratitude.

Finance Yearly Update

Mark VanGampleare (Chief Financial Officer) shared TCA's yearly financial review, along with our five-year budget projection. We continue to stay within our financial goals, even amid statewide budgetary challenges. Overall, with our community's continued support, TCA remains in solid financial shape.

TCA-D20 Board Liaison Report

Dr. Sojourner shared a summary of our Board Liaison's (Tom Weston) annual evaluation provided to D20 and TCA leadership, with focus on the areas of Academic Performance, Finance, Operations and Governance, COVID-19 Response, and Community Relations. Mr. Weston's report was very positive, with strong accolades in all reported areas, and no items identified as needing improvement.

As always, if you have any questions, please contact us at talk2tcaboard@gmail.com. We hope everyone has a wonderful Thanksgiving!

With Titan Pride,

Tim Hannan
Board Secretary

TCA Board of Directors

The Classical Academy exists to assist parents in their mission to develop exemplary citizens, equipped with analytical thinking skills, virtuous character, and a passion for learning, all built upon a solid foundation of knowledge.
