

Dear TCA Families and Friends,

TCA's Board of Directors would like to share some highlights from the June 1, 2023, meeting:

Thank You to Dr. Sojourner

Last Thursday morning's Board meeting was a special one, in that, the Board expressed their gratitude to Dr. Sojourner in a heartfelt tribute with an array of words and gifts. We are so thankful for his servant leadership over the past 9 years as President of our school and previously, as Junior High Principal. Dr. Sojourner has been a true gift to TCA and will be sorely missed as he heads into retirement, to spend more time with his wife, Lori, and their precious granddaughters. If you see him out and about this summer, please wish him well. We are so appreciative of the legacy he has left at TCA and how his leadership has influenced so many students and staff with integrity and genuine care.

Character Update

Wes Jolly, TCA's Director of Academic Services, presented the annual character report. Twelve measurable areas such as attendance, bullying, academic achievement, discipline, attrition, and graduation rates are included as indicators in the report. Analysis is taken from parent/student/staff surveys, assessment and accreditation reports, discipline rates compared to the district/state. The results from this past year were rated in the top two of all years measured. As indicated on the most recent parent survey, our parent community values character as one of the top four best things about TCA.

Appreciation Committee

We received an update on all the appreciation events that took place at each of our schools during the year. A big thank you to all the parents who donated items and volunteered at class events and lunches, and made the staff feel appreciated throughout the year. The TCA staff are very grateful and appreciative of what the TCA community does for them!

As always, if you have any questions, please contact us at talk2tcaboard@gmail.com. Have a wonderful summer!

Thank You,

Sonya Wittleder
Board Secretary

TCA Board of Directors

The Classical Academy exists to assist parents in their mission to develop exemplary citizens, equipped with analytical thinking skills, virtuous character, and a passion for learning, all built upon a solid foundation of knowledge.
