

6th GRADE COTTAGE SCHOOL SUPPLY LIST

This is a list of supplies your child will need for the school year at CSP. These items should be purchased before the first day of instruction and may need to be replenished throughout the school year on an as needed basis. Please have students bring their supplies to and from school each day in a backpack. Many different students will be using the same desk throughout the week, so supplies cannot be left at school. Please write your student's name on all supplies for personal use. I look forward to a great year working with your students!
