TCA Traditional Program FAQs:

1. **TCA Website:** Be sure to familiarize yourself with our website at www.tcatitans.org.
2. **Campus Placements:** Campus assignments are made in waitlist order and are based on parents' preferences and availability. We will notify you of campus assignments as soon as possible. Teacher assignments will be posted just before school starts in August.
3. **Transferring from Another D20 School:** If your child currently attends a D20 school, you do NOT need to repeat the registration you previously did with D20. Email the TCA Registrar office, giving permission to D20 Central Registry to complete your student's transfer remotely. We will forward this to them. This will release your child's current school seat for next year.
4. **Transferring from Non-D20 Schools:** If your child is currently attending a program that is not run by D20, you must complete the registration process. Please have your previous school's records forwarded to: TCARegistrar@asd20.org, Fax number: 888-850-2773, Address: TCA Registrar, 975 Stout Rd, C/S, CO 80921.
5. **Grades 1-6 Campus Orientations:** Your child's classroom teacher will host a Meet and Greet just before school starts in August. The teacher will contact you in early August to invite you to this.
6. **Kindergarten Parent Campus Orientations:** Each campus hosts Kinder parent orientations in April. Additionally, your child's classroom teacher will have a parent orientation just before school starts in August. The teacher will contact you in early August to invite you to this.
7. **Preparing for Kindergarten:** TCA Kindergarten teachers recommend that you love your student and have fun between now and August! You will receive monthly newsletters with tips on preparing for Kindergarten. If you have concerns about your child's readiness, please contact the Registrar's office. Please read the documents on our website about [Kindergarten Readiness](#) and [Curriculum](#).
8. **Phonics Classes for Parents:** TCA periodically offers parent classes on our Spalding phonics program. Please watch newsletters and emails from your child's teacher for notice of upcoming classes in the fall.
9. **Student Support Services at TCA:** If you have questions about Student Support Services, please contact the Registrar's office to be directed to the appropriate staff member.
10. **Address Changes:** If you have any address changes after you register, please make changes on the [D20 Change of Address Form](#). You can turn this form in to any one of our TCA school offices or the Registrar's Office. One form per *child* is required.
11. **Transportation and Before and After School Care:** TCA does not have bus service. TCA does not have before/after school care and does not make recommendations for providers.
12. **Check Here For:**
 - [School Supply Lists](#) (select your specific campus)
 - [School Calendars](#) (secondary and elementary are slightly different)
 - [Uniforms](#) (click on the applicable Uniform Information)
 - [Carpool](#) (select your specific campus)
13. **D20 School "CHOICE" Program:** TCA is not a part of the D20 "Choice" Program; all TCA enrollment is done via our waitlist. If your child has accepted an admission offer, and TCA is your preferred school, do not submit a "Choice" application. TCA students will be removed from TCA's enrollment if they accept TCA admission and then "Choice" into another D20 school.

If you need to contact us, the **best** way is via email (see below). We are happy to answer any questions you may have as you make the transition to TCA. We welcome you TCA!
